

Reinforced Edging Strip

Heavy Duty Reinforced Edging Strip

Made from a self-extinguishing PVC, this material has excellent flexibility which makes application quick and easy. For applications where extra durability is required heavy duty steel edging strip offers extra protection. Its flexible nature makes it ideal for fitting to irregular shapes.

Heavy Duty Steel Reinforced Edging Strip

- Designed to offer a neat and safe finish to sharp edges
- Extra protection and durability
- Flexible to conform to irregular shapes
- Simple push-fit with metal crimp to hold in position
- Suitable for Panel Thickness 1.0-12.0mm

Flammability: Self-extinguishing
Temperature Range: -20°C to 40°C
Material: PVC / Steel
Colour: Black

Code	(A)	(C)	(D)	(F)	Panel Thickness	Length (m)
